—and are also known and recommended by
your own Chemist.

SIGN OF RELIABILITY BRAND.

Extract of Malt with Cod Liver Oil

COMBINING the richest of Malt Extract with the purest and sweetest of Norwegian Cod Liver Oil. A product which has attained the highest standard of purity and body building qualities. It is invaluable in all cases of wasting disease, being a perfect body-builder rich in vitamins, and is easily digested. Doctors everywhere recommend it.

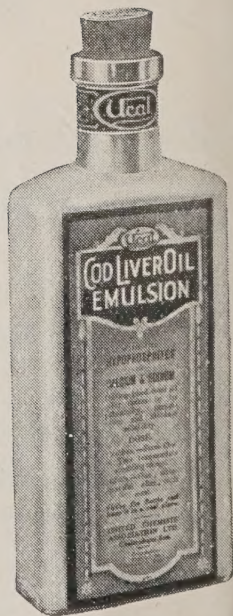

PRICE
1/-, 1/6, 2/9
& 5/- per jar

Emulsion of Cod Liver Oil

QUICKLY changes a delicate child into a strong and sturdy one. It provides material for growth—creates flesh and bone—adds healthy weight. Specially good for thin children, for those who are “weak in the chest,” or who are troubled with persistent coughs; also good for grown-ups.

PRICE
1/-, 1/6, 2/9
& 5/- per bot.

Bronchial Lozenges

A PERFECT cough medicine in the very pleasant form of a sweet, yet many times better than ordinary cough mixture. These lozenges are manufactured from the six best cough curing medicines known to medical science, and we are justified in saying that there is no more beneficial or curative medium for stopping coughs and colds than Ucal Bronchial Lozenges.

PRICE
9d. and 1/6
per tin.

Children's Chest and Lung Balsam

MANUFACTURED from a formula which has met with universal approval, being specially suitable to children, as it is entirely free from poison and most pleasant to take. For children liable to take cold easily it is undoubtedly the best and safest medicine that can be administered. A child's breathing is noticeably easier after the very first dose.

PRICE
1/3 per bot.

Whooping Cough Mixture (P.J.F.)

A MIXTURE which quickly relieves and cures this very painful child's complaint. Whooping Cough is a terrible strain on any child—and it is most dangerous if neglected. Complete confidence may be placed in this medicine—but in severe cases a doctor's advice is recommended.

PRICE
1/3 per bot.
